Dear Dr. Matthew Cutts,

Please find below as promised the **Proof of Delivered Communication Report** as promised.

The Communication was from **Helen Joseph Hospital registered Cellphone Number 068 520-9038 ("Sending Cellphone Number")** to **Cellphone Number 072 589-5004, Registered** in the name of **Amos M. Mrali ("Receiving Cellphone Number")**

Our System shows that **TWO PDF Documents** were **Delivered to the Receiving Cellphone Number on 12 January 2026 at times 03H26 and 03H28.**

Below is the Summary of the Report. The **PrintOut** from our System is the **Last Page** of this **Document.**

Documents were Sent on 12 January 2026 (From 068 520-9038 to 072 589-5004):

(a) **Mnyengeza-Msingathi-Medical-HelenJosephHospital-2026-01-06** (1 Page - 64 KB - PDF) 03H26 – **Subject:** Mnyengeza Medical Certificate

(b) **Information-Letter – Employer – Patient – MM Mnyengeza- - 2026-01-06** (1 Page - 526 KB - PDF) 03H28 – **Subject:** Mnyengeza Information Document

Response From Receiving Phone: There was a Response from Receiving Phone to the Sending Phone (Helen Joseph Hospital Phone) which was received (by Helen Joseph Cellphone) at 04H29 on 12 January 2026. It was just a WhatsApp Text Message.

METHOD OF COMMUNICATION: META WhatsApp (Document Attachments)

ADMISSIBILITY OF THIS DOCUMENT IN SOUTH AFRICAN COURTS: All Courts in South Africa Admit this Document (and those of other Telecom Networks) as part of the **Evidence for parties in a Legal Case. As I discussed with you, we will be able to delegate one of our Employees to be of assistance to Helen Joseph Hospital on the day of the Court Case.** Please contact me Dr. Cutts should you need any assistance, and to arrange for our **Technical guys** to come to the Court on the day of the Case.

I find it absolutely ridiculous what these Eastern Cape Education Department Officials are doing. I don't think they have an idea that all Documents Delivered to their **Phones** and **Email Addresses** can be proved to have been delivered by Telecoms Companies and ISPs.

I wish you all the best with this case Doctor.

Kind regards,

Raymond
